

A choice of quality-assured accommodation

Lodges

Most of our lodges are situated in a peaceful area next to the golf course or near the wildlife ponds. All offer a spacious open plan lounge and kitchen, sleep 4-8 and some having the added luxury of a hot tub. Remember to bring your own towels and tea towels.

Caravan Holiday Homes

All homes are double glazed with full central heating and are a spacious 12 feet wide. They have 2-3 bedrooms sleeping up to 4-6, are fully equipped including bed linen with veranda and outdoor furniture. Remember to bring your own towels and tea towels.

Camping Cabins

Bring all your camping essentials but leave your tent at home. Our Cabins have fridge, microwave, kettle, heating and double and single beds sleeping up to 4. Outside decking and alongside parking provided.

Touring Visitors

For families who want to bring their own caravan or tent we offer a variety of pitches.

Touring Caravans can choose from our electric, electric/TV and fully serviced pitches and can also stay for a mini or a discounted all year season to visit as you wish.

For those who wish to embrace the outdoors further by bringing their tent, Brighthouse Bay offers electric and non-electric pitches. The park has all-year heated toilet and showering facilities with individual en-suite shower rooms, baby room and launderette.

Brighthouse Bay

Family owned and run since 1970

Activities for all the family

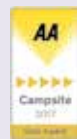

Hidden away on a quiet, secluded peninsula with magnificent views over the Irish Sea, Brighthouse Bay is surrounded by acres of farmland with trails through ancient woodland, along the coastline and over our working livestock farm.

With bluebell woods and six wildlife, fishing and amenity ponds this wildlife haven also has its own sandy beach with pebble covered coves and rock pools ideal for families.

Our pet friendly Park offers holiday accommodation catering for weekly and short break bookings and welcomes tourers, campers and day visitors.
